MCGOWAN PACKAGE INSURANCE PROGRAM FOR MCDONALD'S FRANCHISEES

McGowan is excited to offer a New Approved Package Insurance Program

Although we are a newly approved Package Insurance Program for McDonald's franchisees, we are not new to this space. We have been insuring the restaurant industry for more than 50 years. McGowan's dedicated team for McDonald's franchisees will utilize a consultative approach with each Operator! Our team knows what Franchisee owners/operators need. Here at McGowan, we realize it goes beyond insurance coverage and the importance of risk management. McGowan understands the risks and offers a comprehensive insurance policy to not only protect and prevent an incident but also help respond and recover if one occurs.

Why Choose McGowan?

McGowan Program Administrators (MPA), founded in 1954, is America's leading writer of innovative insurance programs. McGowan has remained stable, reliable, and versatile in a volatile and ever-changing marketplace. McGowan prides itself on our outstanding Risk Management Library. We find that education is just as important as great insurance coverage. Our companies' success was founded on providing the finest service in the industry. We still aspire to that level of service today. We hope that you can discover the benefits of working with McGowan and become one of our long-lasting relationships so that when you think insurance, you Think McGowan.

The Famous McGowan Service

Every member of the McGowan corporate family, from the receptionist to the C.E.O., is committed to providing "Uncommon Service" to each of our business partners. "Uncommon Service" is achieved by thorough training of all employees, continuing education, constructive seminars, creative team building, and, most importantly, a vibrant and unique corporate culture. Our hope is that Uncommon Service will build the foundation for multi-decade long partnerships.

What is "Uncommon Service?"

- Quotes are competitively priced.
- We are committed to Quality Control. Our policies are issued quickly and accurately – the first time.
- We couple cutting-edge program administration technology with old-fashioned manners. We say things such as, "please" and "thank you."
- You will speak with someone who is experienced in package insurance and will work with you to obtain the best options for your business.

Why Franchisee Owners/Operators should use us?
