

McGowan Insurance Agent Resource Newsletter

Volume 1 Issue 6 | June, 2014

If you have not already joined our LinkedIn discussion group, we would like to invite you to do so. This is one of our many ways to keep your finger on the pulse of the industry. The group is led by our very own Joel W. Meskin, Esq., CIRMS. However, all members of the group can post articles, helpful tips, ask questions, etc... It is a great way to keep up with new laws, stumble on interesting scenarios and find questions and answers from many top community association professionals.

It's free and easy to join. Simply log into LinkedIn. At the top search bar type in, Community Association Directors & Officers Liability – Are You Properly Covered? In the top right hand corner you will see a yellow button that says "Join". Click on that and voila, you will automatically be added to the group! Login, search, join. It's as easy as that!

Be the first 3 people to join the discussion group on LinkedIn and reply back to me to let me know, and we will send you a Starbucks gift card!

Please let your colleagues, insured's and anyone else you feel may benefit from this discussion group know just how easy it is to join. We look forward to seeing your questions and comments come through! This is just one more way McGowan is here to help you!
